

RAOUL LÉGER AWARD INFORMATION SHEET

This award is presented yearly to a social worker in New Brunswick or awarded posthumously, who has made a significant contribution to the advancement of the practice of social work.

The Award was established in memory of Raoul Léger, a social worker from Bouctouche, New Brunswick who gave his life in the struggle to help others. In 1979, Raoul went to Guatemala to work among the poor and the oppressed who were striving for more just living conditions. In 1981, Mr. Léger was assassinated by members of the Guatemalan army. Raoul's spirit for life and for social justice still touches the lives of so many people and his memory serves as an inspiration for social workers who share his vision of an equitable and just society.

The Award

The Raoul Leger Memorial Award consists of a plaque and a Lapel Pin, which will be presented by the New Brunswick Association of Social Workers at the banquet preceding the Annual Meeting.
